

MONTANA ATHLETIC CLUB'S keeping you safe series

TODAY'S TOPIC: MAC HEALTH GUARDS

Since re-opening in April, we instituted a whole new division of employees dedicated to your safety - the Health Guards. You will see them everyday in the facility, sanitizing fitness equipment, refilling the Health Guard Sanitation Carts and running our advanced disinfecting equipment.

The Health Guards are trained in the proper way to sanitize equipment and are more than willing to show you how to do so.

What you don't see is the extensive cleaning and sanitation that takes place every night. Hospital-grade cleaning systems and chemicals are used in the showers, steam, sauna and hot tub areas, along with the bathrooms and locker areas.

Between the Health Guard Staff and our nightly cleaners, the MAC is clean and sanitized for your health and well-being.

*Questions on how we can
help you get fit? Just call:*

**MONTANA
ATHLETIC CLUB**

Our foremost concern is our Members and Guests. Not only in protecting them from COVID and other germs, but to ensure they are staying fit and healthy, both in body and mind.

**STUDIES HAVE PROVEN THAT
STAYING FIT HELPS NOT ONLY
FIGHT OFF ILLNESS, BUT
LESSENS THE IMPACT IF YOU ARE
INFECTED.**

This pandemic has also stressed our social life. Part of our mission is to provide a place for people to meet and socialize. While this has been difficult with all the restrictions in place, we are continually looking for ways to keep you safe.

**We are proud of our members/guests for
following the guidelines to ensure we can
stay open for you.**

**WEAR MASKS IN COMMON AREAS
(NOT REQUIRED WHILE WORKING
OUT), SOCIAL DISTANCE AND
JUST BE CAREFUL.**

The Bigfork community is strong and resilient. We will get through this together!
